England's Queen Anne ascended
the throne after the death of
King William III.

1702-1711

John Churchill was commander of the British forces during the War of Spanish Succession. He defeated the army of France XIV not once but 10 times, He was a brilliant leader, attentive to the care & feeding of 120,000 soldiers in the field and above all, shrewd and surprising in battle.

The style of comment kept them in
touch of matter
